

Welcome to Second Grade

What an exciting day! We are thrilled to be teaching your child! Second grade is a time of blossoming independence. We are looking forward to working collaboratively with you to ensure your child's academic, emotional, and social success.

High Expectations: Students will be held to the highest academic expectations as they prepare for their remaining elementary school years. Bullying WILL NOT be tolerated. We attempt to make learning a fun experience. We nurture according to each child's needs, but believe that a child's success should be earned. Our goal is to cover the curriculum and beyond. By June, each child should be more independent, confident, and curious. Please ask your child about his or her behavior every night. Also, please initial his/her behavior calendar so you can see what kind of day your child had. We will have a GREAT year!

Morning Routine: Weather permitted, students are to line up on the playground behind their room number. In the chance of inclement weather, your child should report to the school auditorium and sit in a seat by their room number.

Dismissal: Students are dismissed at 3pm through door number 6. Please be prompt in picking up your child.
